WOW of the Week

Holly and Maisie in Mowbray class have been doing extra work at home! Holly worked with her dad to create posters to help her remember what nouns, verbs, adverbs and adjectives are. Maisie completed her own experiment with her mum about evaporation and found out whether different mixtures evaporated at different rates. She even produced a detailed scientific report about it! Well done girls!

**WE NEED YOUR SUPPORT TO KEEP OUR CHILDREN
SAFE!**

We are still having issues with parents parking inconsiderately around the school premises.

A small number of cars are parking illegally opposite Hudson Class. This makes it dangerous for children crossing the road. The single yellow lines opposite Hudson mean no parking between designated times.

This is to keep your children safe!

Clarkson Class need you!

Clarkson Class are studying World War Two and would like to hear some 1st hand accounts.

We need grandparents, or members of the older generation who have memories of a wartime childhood and who would be willing to come along and share them with the class over a cup of tea. Please contact the school office if you can help.

Dinner money

Please remember that Breakfast Club and School Meals should be paid for in advance. Please speak to Mrs Embling in the school office if this is a problem. If money is owing please pay on the day or send a packed lunch - meals cannot be provided without payment. Thank you for your support.

Sunny Days

With the warmer weather now with us we ask that you send children in with a sunhat (named). Sunscreen should be applied before school to any exposed areas.
