Hudson Class are all at sea

There has been a strange sinking feeling in Hudson Class this week as it has become an exciting undersea world. The children are making and describing their own sea creatures.

Looking from the roadside, you will see some new planting, completed by the children, helped by staff from Delamore, who also donated the plants.

Summer Weather (we hope!)

With warmer weather and the sun starting fill our days, can I remind families to ensure that their children have sun tan lotion on in the morning and come to school with a sun hat and water bottle, so that we can all enjoy being outside.

Please can you ensure your child has appropriate footwear, so they can safely run around on the field (no flip flop type footwear please). Can I also ask that children do not wear jeans for school (if you would like to discuss this, please do not hesitate to make an appointment or see me on the gate in the mornings).

Time Credits

We now have five people signed up for time credits, and some have already been volunteering in school. It is great for school to have access to this extra help and expertise, and we hope that the volunteers also find it worthwhile.

Attendance

Well done to families and children who have started the term off with outstanding attendance. The school really is an exciting place, with lots of different projects for the new term, being in school means all our children can make the most of the great lessons the teachers have planned.

Attendance for this week;

Gold is awarded to Godfrey Class with a fantastic 100%.

Silver is awarded jointly to Mowbray and Peckover Classes with 97.9%

Bronze is awarded to Clarkson Class with 97.5%.

Winner of the 100% attendance pencil this week is Kailan from Hudson Class.

House Points

This week's winners are St Margarets House.

Book Club

Please return any Scholastic Book Club orders to the office by Thursday 30th April. Spare leaflets are available from the office.

We hope you have a lovely week.

Yours sincerely,

Nina Redhead
