

Week beginning 25th January 2021

Daily activities:

	Monday	Tuesday	Wednesday	Thursday	Friday
Vocabulary Times Tables 	TTRockstars /Numbots	Pre-Recorded lesson uploaded New word: empathy	TTRockstars /Numbots	Pre-Recorded lesson uploaded Roll the dice activity.	TTRockstars /Numbots
Reading 	Class book next chapter See Class Dojo for video.	Select a book from rising stars or audible.	Class book next chapter See Class Dojo for video.	Select a book from rising stars or audible.	Class book next chapter See Class Dojo for video.
English (Grammar or Writing) 	Live lesson at 9:10am Punctuation problems. Where does the punctuation need to go?	Live lesson at 9:10am Character description Spine Poem (Echidna)	Live lesson at 9:10am Turn spine poem into prose.	Live lesson at 9:10 am Create our own description of an Australian animal.	Pre-recorded Guided reading – Why the Koala has a stumpy tail. Exploring more dreamtime tails.
Phonics	Live lesson at 10am. Exploring the /s/ sound	Pre-recorded Sound swap Sound sort /s/	Live lesson at 10am Sound review of /u/ Polysyllabic words with /ou/	Live lesson at 10am Revision of /s/ sounds Polysyllabic words analysis.	Pre-recorded Make a poster of our sounds from the week.
Maths 	Live lesson at 11am Adding two digit numbers crossing the tens boundary.	Pre-recorded Adding two digit numbers crossing the tens boundary.	Live lesson at 11am Subtracting two digit numbers including exchanging tens.	Live lesson at 11am Subtracting two digit numbers including exchanging tens.	Live lesson at 11am. Money Sweet shop activity.
Afternoon Activities	Live lesson at 12:45pm Aboriginal Art You will need some paper and some colours (eg, pens, pencil, paint)	RE – Pre-recorded How does God support Christians?	Screen-free Wednesday See below the grid for information about this afternoon.	Pick from the get creative/Get thinking grid below.	PE: Pick from the Get Active grid below. Whole school assembly Zoom details to follow.

Blue are live sessions

Yellow are pre-recorded independent sessions

<p>Get Thinking</p> <p><u>RE</u> Christians believe that God is the father and he loves them like a parent. What do our mums and dads do to show that they love us? Make a list of things that our parents and carers do to show they love us.</p> 	<p>Get Active</p> <p>Joe Wicks – The Body Coach 30minute PE Sessions for children https://www.youtube.com/user/thebodycoach1</p> 	<p>Get creative</p> <p><u>Create the Australian Flag</u></p> <p>Make a collage of the Australian flag. Use different resources in your house to make your own Australian flag. You might want to use paper, lego, felt, materials, food – be as creative as you can.</p> 
<p><u>PSHE</u> https://classroom.thenational.academy/lessons/feeling-good-6hj64d</p> <p>It's OK to not feel ok.</p> 	<p><u>Cosmic Yoga</u></p> <p>https://www.cosmickids.com/category/watch/</p> <p>Have a look through the website to find a cosmic yoga session that you are interested in.</p> 	<p><u>Music lesson ☺</u></p> <p>https://www.bbc.co.uk/bitesize/topics/zk86qfr/articles/zk7wr2p</p> <p>Follow the link to a music lesson with Cara and Martin on making sound effects.</p> 
<p><u>Science</u></p> <p><u>Australian Animals</u></p> <p>Research which animals live in the outback. What do they like to eat? Drink? Are they carnivores, omnivores or herbivores?</p>  <p>You can also look at the live lesson from Chester zoo at this link. https://www.bbc.co.uk/teach/live-lessons/primary-science-creatures-and-colour/zx8pxbk?utm_medium=social</p>	<p><u>KIDZBOP!</u></p> <p>https://www.youtube.com/watch?v=sHd2s_saYsQ</p> <p>Follow the link to go on to the Kidzpop youtube channel.</p> <p>Enjoy a dance lesson.</p>	<p><u>Capture a piece of nature</u></p> <p>During the winter months, the frost can create some beautiful images in nature. Can you take a picture of something that is beautiful to you and then draw a picture of it when you are at home in the warm.</p> 

Screen free Wednesday!

Throughout the current pandemic, it is more apparent than ever that wellbeing, physical and mental health are more important than ever. Due to the nature of home-schooling, it has potentially increased the amount of screen time that your child is receiving. Add to this the strains, worries and concerns of changes in routine, missing friends and working differently, sometimes this can be too much for both children and adults alike.

With this in mind we are introducing 'Well-being Wednesday'. This is an afternoon that is dedicated to non-screen based activities such as construction, natural and physical activities that do not require a screen to support their learning. Each week I will provide some ideas that your child can do during this time.

If it suits your family and routine to do this on a different day, that is absolutely fine. You could have Mindful Monday, Thoughtful Thursday - catchy name is optional! Also if you have more than one child in different year groups, you can select just one activity from either one of their grids rather than doing one from each. This is supposed to be a fun activity that you can share - not a stressful one.

Here are some ideas for this week.

You could: Make some playdough animals!

Makes 1 coloured ball

Prep 10 minutes

You will need

8 tbsp plain flour, 2 tbsp table salt, 60ml warm water, food colouring

1 tbsp vegetable oil

Method

1. Mix the flour and salt in a large bowl. In a separate bowl mix together the water, a few drops of food colouring and the oil.
2. Pour the coloured water into the flour mix and bring together with a spoon.
3. Dust a work surface with a little flour and turn out the dough. Knead together for a few minutes to form a smooth, pliable dough. If you want a more intense colour you can work in a few extra drops of food colouring.
4. Store in a plastic sandwich bag (squeeze out the air) in the fridge to keep it fresh.

Top tip - you can also add smells to your playdough such as chocolate powder, herbs and even some spices such as cinnamon.

You could: Make some shadow drawings.

Using a light source (torch/sun or even a lamp) you can create your own shadow drawings. Explore putting the light source in different places. Does this change how your drawing looks? Can you create a shadow scene? Can you build a model out of Lego and then draw the outline of your model from the shadow?
