

Dear Parent/Carer,

Welcome to this week's remote learning grid. Our remote learning online will be via Zoom and all sessions that are recorded live and pre-recorded will be available on YouTube.

All children will be expected to participate in the live lessons planned each day (either at the planned time or by watching the recorded session later). If your child needs to attend an intervention session, we will message you privately. There will be a waiting room enabled when you log in to Zoom. Please make sure that you log in and name yourself with your **child's first name**, otherwise we will not be able to admit you to the lesson (you are able to rename yourself once you are in the meeting).

Zoom sessions will be recorded and uploaded to a private school YouTube channel so that children who cannot watch the live sessions can access these at a later time. A link to the recordings will be sent via Class Dojo as this is a closed account and cannot be searched for. We will be continuing to learn new concepts and skills so attendance and completion of activities is vital. Reading books on Rising Stars are available for children to have a levelled reading book. Please read with your child daily for at least 10 minutes.

During the lesson, please only use the chat function if you wish to ask a question. An adult will monitor this chat and respond.

Please upload work on to your child's portfolio on Class Dojo so that staff can feedback to children on the day the work has been carried out. If you have further questions once the live session has ended, please contact us through the message function on Class Dojo.

Thank you for your co-operation at this time.

Mrs Bradshaw and Mrs Hunt (Awdry Class Teachers)

Cambridgeshire Library Services

at home
library

Children in all classes can borrow online e-books from Cambridgeshire Library Services if they are a member of the service.

<https://www.cambridgeshire.gov.uk/residents/libraries-leisure-culture/libraries/library-online/ebooks>

The library has a massive collection of children's e-books and audio books which can be downloaded (loads of books for adults too).

This is a free service, but you will need a library card to log in and borrow e-books. Families who are not members of the library service can register online
