

Year 1

Week beginning 1st February 2021

Dear Parent/Carer

Please see attached the learning timetable for the forthcoming week. Live sessions will be shared on Zoom and you can log in using the details below.

Our zoom log in is:
Meeting ID:

There will be a waiting room enabled when you log in to zoom. Please make sure that you log in with your child's name otherwise, we will not be able to admit you to the lesson.

Zoom sessions will be recorded and uploaded to the private school YouTube channel so that children who cannot watch the live sessions can access these at a later time. A link to the recordings will be sent via dojo as this is a closed account and can't be searched for. We will be continuing to learn new concepts and skills so attendance and completion of these is vital. Reading books on Rising Stars are available for children to have a levelled reading book. Please read with your child daily for at least 10 minutes.

During the lesson, please do not use the chat function. We know that this is tempting however, this is a live lesson and should not be used for anything other than questions about the lesson taking place.

Work should be uploaded on to your child's portfolio on class dojo so that teachers can feedback to children on the day the work has been completed please.

Thank you for your co-operation at this time.

Mrs Leuty

Daily activities:

	Monday	Tuesday	Wednesday	Thursday	Friday
<p>English</p> 	<p><u>Independent activity</u></p> <p>Complete the Powerful word activity today that Miss Petit will upload.</p>	<p><u>Independent activity</u></p> <p>Create your own acrostic poem about a penguin today. See my short video on dojo explaining what an acrostic poem is and how you can write one.</p>	<p><u>Live lesson</u> from 9:10am</p> <p><i>Lost & Found</i></p> <p><u>Activity:</u> thinking of questions to ask the penguin.</p>	<p><u>Live lesson</u> from 9:10am</p> <p><i>Lost & Found</i></p> <p><u>Activity:</u> Making a 'lost' poster for the penguin.</p>	<p><u>Independent activity</u></p> <p>Think of the beginning of the 'Lost & Found' story and about how the penguin got to the boy's front door. Can you write that part of the story, with the help of your grownup?</p>

Screen free Wednesday

Linking to Children's Mental Health Week this week

Throughout the current pandemic, it is more apparent than ever that wellbeing, physical and mental health are incredibly important. Due to the nature of home-schooling, it has potentially increased the amount of screen time that your child is receiving. Add to this the strains, worries and concerns of changes in routine, missing friends and working differently, sometimes this can be too much for both children and adults alike.

With this in mind we are introducing 'Screen- free Wednesday' to help with well-being and mental health. This is an afternoon that is dedicated to non-screen based activities such as construction, natural and physical activities that do not require a screen to support their learning. Each week we will provide some ideas that your child can do during this time. If it suits your family and routine to do this on a different day, that is absolutely fine. You could have Mindful Monday, Thoughtful Thursday - catchy name is optional!

Here are some ideas for this week, but feel free to do whatever makes you feel good- that could be going out for a walk, baking or crafting together.

This week is Children's Mental Health week & it's extremely important to talk about and to think about this, especially during these times.

Spend time with your family.
Play games, go for a walk, read your favourite book or have a kitchen disco!

Use different ideas, mediums and art forms to express yourself, it's important that children are encouraged to explore and be playful so that they can express themselves freely and without judgement.

Year 1

Week beginning 1st February 2021

Do something that makes you feel good!

This is not about producing great art. This is about helping children and young people to connect with themselves. Mediums and art forms you may consider include: simple craft making, sculpture, junk modelling, mask making, murals, weaving, painting, photography, film, digital art, dance, drama, mime, poetry and literature, music, singing, gardening and cooking. But there are lots more to choose from.

We can't wait to see how you express yourself this week!
